

# STUDENT STORIES OF CLIMATE CHANGE

**Post-Visit Activity:**  
After Presentation Day-2

*More in depth Pre-visit, Interstitial, and Post-visit activities are being developed for release in Fall 2024.*

These questions can be completed either as an individual assignment or as part of a classroom discussion.

All Day-1 & Day-2 Videos are available at: [eeexchange.org/sscc](https://eeexchange.org/sscc)

**Question 1:**

What was most compelling to you from the *Student Stories of Climate Change* Day-2 presentation? (*What did you learn, what surprised you, were any of your preconceptions about Climate Change challenged?*)

**Question 2:**

Which Day-2 *Student Story of Climate Change* did you find most compelling and why?

**Question 3:**

Has this program changed the way you think about Climate Change? Why or why not?

**Question 4:**

What are some things you learned about other countries around the world from this program?

**Question 5:**

How do you feel about the City of Tucson's Resilient Together and Tucson Water's Water 2100 proposals? Do you think your local government should go further in preparing for the effects of Climate Change, why or why not?

**Question 6:**

What career paths could you pursue to help the world with Climate Change? What actions can you take to help your local community in dealing with the effects of Climate Change?
